Janet Weir, aka Hudson Sound Healing, is a professional sound healer who performs sound baths with the intention to create inner peace and increased awareness. Originally a pianist and composer, she wrote and produced music for television such as "Reading Rainbow" for 25 years. During this time, she also studied yoga, meditation and kirtan (chanting) at the SYDA Yoga Ashram. Love of sound and spiritual studies merged along with a desire to serve, leading Janet to study Sound Healing at the Sage Academy, the Open Center and Integral Yoga.
